The best birthday ever

2013

Celebrating 100 years of the American Cancer Society.

Denver's Premiere Ladies Event!

THE AMERICAN CANCER SOCIETY LADIES' HOPE INVITATIONAL – A GREAT ADDITION TO THE CLASSIC AND DISTINGUISHED HOPE INVITATIONAL.

New in 2012, the First Annual Ladies Hope Invitational was a hit! Sold out well before the tournament, our guests soon learned how we tee it up and fight cancer in a significant way. **This year, help us celebrate our 100th Birthday as we work to finish the fight and save even more lives. As the official sponsor of birthdays, we are working hard to help everyone celebrate more birthdays.**

Hosted at the beautiful and exclusive Colorado Golf Club, this fun and unique golf outing for women is a great way to support the American Cancer Society, sharpen golf skills, participate in a ladies' only tournament, and meet other passionate supporters fighting cancer.

The new Ladies Hope Golf Committee is planning this exceptional day of golf for women only! There will be two 9-hole tournaments – one in the morning and one in the afternoon to accommodate your schedule (your choice of one round of 9 holes). A golf clinic will be available for all golfers as well as a great lunch and program at the club. Join the **Lunch Bunch** and participate in the clinic and luncheon only if you like.

At the end of the day, everyone will gather for cocktails, have the opportunity to learn more about the cancer society, our programs and resources, and connect with others. A main goal of this event will be to raise awareness for women's cancer issues. Speakers will focus on current cancer issues nationally and locally.

Please join us for this unique ladies' only activity at one of Colorado's premiere golf clubs. Sharpen your golf skills, meet some new friends, and play the fabulous short course at the Colorado Golf Club.

Sponsorships and foursomes include tickets to *A Taste of Hope* function, the Hope Invitational's signature dinner and auction – Sunday, June 9, 2013 at Palazzo Verdi in Greenwood Village.
